The first part of the book is a history of the city of New York, from its first settlement in 1624 to the present. It covers the city's growth, its political and social development, and its role in the history of the United States. The second part is a description of the city's geography, its climate, and its natural resources. The third part is a description of the city's population, its industries, and its commerce. The fourth part is a description of the city's government, its laws, and its institutions. The fifth part is a description of the city's culture, its arts, and its sports. The sixth part is a description of the city's future, its plans, and its hopes.
